

Parent Code of Conduct

Mel International school recognizes the importance and value of a mutually supportive relationship between the school and parents. The education of a child is best served when the school and parents share a commitment to collaboration, open lines of communication, mutual respect, and when roles, responsibilities, and expectations are clearly defined. The school reserves the prerogative to enroll students and families who fully embrace the mission, vision, policies, and procedures adopted by the school, including our commitment to diversity, respect for individual differences, and secularism. It is a further expectation that parents will address any concerns in a positive and supportive manner, avoiding public actions or criticism detrimental to the school or its employees. The addendum to this code of conduct further clarifies expectations intended to ensure an orderly, respectful, and secure educational environment.
